

MDPE PIPE GUARANTEE

QUALPLAST MDPE PE 80 pipe is manufactured in our ISO 9001:2015 approved manufacturing plant to the British Standard BS EN 12201.

Provided QUALPLAST pipe is installed correctly, the pipe is guaranteed against any manufacturing defects for a period of at least 25 years.

This guarantee remains valid provided that the pipe is installed as per recommended installation guidelines and that the pipe installed were not damaged during or after installation.
